

ISKALO DEVELOPMENT OFFICE BUILDING HOSTS BLOOD DRIVE

6467 Main Street in Williamsville Site of Community Effort

Iskalo Development's award-winning office building at 6467 Main Street in Williamsville was the site of an American Red Cross Blood Drive on Friday, January 30, 2009. The blood drive, sponsored by tenant Uncle Bob's Self Storage, was held in the American Red Cross's Travelling Donor Center, which was parked at the entrance to 6467 Main Street. Each donor on that day received a free pound of coffee through a co-promotion with Dunkin' Donuts, and about 20 people took the opportunity to donate.

Each year, in communities large and small, victims of some 70,000 disasters turn to neighbors familiar and new—the more than 700,000 volunteers and 34,000 employees of the Red Cross. Through nearly 720 locally supported chapters, more than 15 million people gain the skills they need to prepare for and respond to emergencies in their homes, communities and world. Some four million people give blood—the gift of life—through the Red Cross, making it the largest supplier of blood and blood products in the United States. The Red Cross helps thousands of U.S. service members separated from their families by military duty stay connected.
