LEASING

Highly Visible Corner Location in Park-Like Setting

Excellent Accessibility to all of Western New York

Newly renovated, move-in ready, Class B space in a park-like setting now available at 140 John James Audubon Parkway. The open floor plan provides flexibility to accommodate office, R&D and innovative lab space for tech, medical or testing.

This property is well positioned between the I-290 and I-990 Expressways providing accessibility to all areas within Western New York. Tenants benefit from a convenient location in a park like setting adjacent to the Walton Woods Trailway connected to the Amherst Bike Path.

Property Highlights:

- Move-in ready.
- Newly renovated suite.
- Open floor plan available on first floor.
- Reasonable rental rate for office and flex space.
